THE SPECIAL SECTION AS A „MAGAZINE WITHIN A MAGAZINE“

The special section of the magazine features a mixture of editorial reporting and **PR content**.

In single or double-page advertorials, partners in the bus industry from the tourism and technology sectors have the opportunity to present their products and destinations in more detail than would be possible in a traditional advertisement.

An editorial from the editorial team leads readers to the topic, independent short reports on the industry and providers as well as articles supplement the content.

For an additional fee of **€ 549.00**, you can also advertise specifically on the trade magazine's online service.
